#### **INTRO**

VUB Gaming is an association for-and-by students that aims at promoting gaming and esports among students of the Vrije Universiteit Brussel.

VUB Gaming achieves this by organising online and onsite gaming related activities. Besides, it also includes an educational pillar thanks to the Expert Class in Esports Management given at our university [https://expertclass.be/].

Additionally, VUB Gaming participates in various collegiate esports tournaments with its own teams consisting of VUB students and partners up with other collegiate esports universities in Belgium like the ULB and EHB appealing to a wider audience even outside the academic sphere.

VUB Gaming is also present at major VUB organised events like the student kick-off, 12-hours run and the VUB info days. Through its activities, VUB Gaming participates in and raises awareness to this fast-growing virtual cyberspace phenomenon.

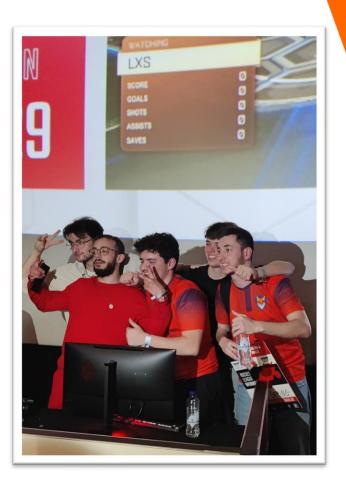

# **OUR STORY**

VUB Gaming recently started in December 2021 with a small group of VUB students that were looking for like minded students with an interest in gaming.

Informally, VUB Gaming was born and quickly grew into a full-blown organization comprising of 3 semi-professional teams of esports athletes focusing on winning tournaments and on launching their professional careers in esports.

Around May 2022, VUB Gaming enrolled in 4 tournaments and won 3 of them, including 2 times 1<sup>st</sup> place on the Belgium esports championship, 1<sup>st</sup> place on the Benelux championship and 3<sup>rd</sup> place on the European championship in various disciplines.

The VUB Gaming esports teams are sampled from the enrolled students and the best students compete against other universities in Belgium and internationally.
